

DON'T BE A GRINCH:

Focus on what's really important this holiday season with these 5 preparation tips

DECEMBER 2019

Whether you are ready for it or not, the holiday season is here! We know preparing for the holidays can be stressful, but we have a few tips that can help you avoid becoming a real Grinch. Check out the preparation tips below and fill your holiday season with nothing but holly jolly.

STOCK UP ON GAMES

Are you hosting this year? There's nothing worse than going to a boring holiday party. Make sure you have a good selection of games to play that are accessible for all abilities. Our Eyedea Shop has found that Uno and Left Right Center are fan favorites! They are available in large print and braille playing cards.

STAY ON SCHEDULE

We all know that food is the most important part of any holiday tradition, but the preparation isn't always easy. Stay on top of your cooking schedule with the talking clock to avoid burning or under cooking your signature dish! The talking clock will audibly notify of you the time, as well as function as a timer.

DECORATE YOUR SPACE

There's no better way to get in the holiday spirit than with a few decorations and twinkling lights. The Colorino can help you make sure your decorations match by audibly identifying the color of all of your favorite items! Not to mention, it will help you look your best when picking out your outfit for the special day!

STAY ORGANIZED

Organization is key when preparing for the busy holiday season. If you are worried about identifying various objects when wrapping presents or baking cookies, the Pen Friend may be helpful! The Pen Friend allows you to audibly label your kitchen or wrapping items so that you will always be able to tell the difference between your salt and sugar.

SPREAD HOLIDAY CHEER

Still need to purchase your holiday cards? Don't worry! Every year, local artists allow their work to be transformed into greeting cards which Cleveland Sight Center makes available to purchase for only one dollar per card. It has become an annual fundraising campaign to help provide services for people in our community who are blind or have low vision.
