

Keeping You “In the Know...” 11/2/18

In Memoriam: Charles K. Koster, MD

- We are saddened to announce Charles K. Koster, MD (“Ken”) passed away September 19, 2018. Dr. Koster, a retired ophthalmologist who, for many years, made the trek from the far west side of Cleveland to attend CSC weekly staff meetings educating staff on the many eye conditions impacting clients’ daily functions and employment options.

As a dedicated volunteer medical liaison to CSC’s Employment team, Dr. Koster helped facilitate employment opportunities for people who are blind or with vision loss. Dr. Koster introduced key CSC staff to area doctors and facilitated conversations with new residents and other members in the medical arena.

Recently honored as a Trustee Emeritus, where he received a standing ovation, at CSC’s Annual Meeting held in May 2018, Dr. Koster was a true advocate for Cleveland Sight Center, staff and those who receive vision rehabilitation and employment services.

A church service will be held Saturday, November 3 at St. Raphael Catholic Church, 525 Dover Center Road in Bay Village at 9:30 a.m.

The wake for Dr. Koster will be held Friday, November 2 at McGorray-Hanna Funeral Home, 25620 Center Ridge Road in Westlake from 4:00-8:00 p.m.

Kudos from Callers:

- The following was received by the Office of Secretary of State Jon Husted, who forwarded to CSC regarding the caller's experience when calling into the Business Services division, which is operated by CSC's Call Center: "I had a question about incorporating a foreign business in Ohio. Before engaging an attorney, I thought I would give the Business Services line a call. I honestly thought I was wasting time and would get some inane generic answer, instead I found the exact opposite. I was connected with Mr. Stephen Miller and within 5 minutes he had answered all my questions. Mr. Miller was professional, knowledgeable and a fantastic ambassador for your office. This email is to say, Thank You for providing this service and Thank You for hiring Mr. Miller. He is a true asset and a fantastic 1st contact to any Ohio resident seeking business information." Great work, Steve!
