CSC Golf Classic a Big Hit!

- This year’s CSC [Golf Classic](#) was held Monday, August 15th at Westfield Group Country Club. For the second straight year, this tremendous fundraising and awareness opportunity is the result of the [Employment](#) team’s strong partnership with Westfield Group’s human resources department. Despite a few rain clouds to start the outing, it was a fantastic day for CSC and all those who participated. Participants from CSC’s [Golf Program](#) played in the round along with CSC Board Trustees, friends of CSC, and leaders from Westfield Group. It was a great opportunity to establish partnerships, enhance existing ones, and continue to tell the CSC story. Thanks go out to all staff who participated as well as the following Board Trustees for their attendance and support throughout the day: Board Chair [Tom Furnas](#), [Bob Englander](#), [Fred Jones](#), [Howard Lichtig](#), [John O’Brien](#), [Sara Parish](#), [Erin Ploucha](#), [Gary Poth](#), [Andy Sikorovsky](#), and [Steve Willensky](#).

Did You Know?

- The Ohio & Erie Canal Towpath is a hike and bike trail that stretches for 85 miles through Cuyahoga, Summit, Stark, and Tuscarawas counties. The scenic trail follows the path that mules once used to pull canal boats up and down the Ohio & Erie Canal, back when it was one of the easiest ways to transport passengers and goods in Northeast Ohio. Today, the trail is used by cyclists, runners, hikers, and more, including CSC's recreation program, drawing more than 2.5 million people annually. It passes through four county park districts, as well as Cuyahoga Valley National Park, and has something for everyone.
