

Insight Summer Horse Camp

**For boys and girls Age 7-17 who are Blind or Visually Impaired
Partial-Week Resident Camp Tuesday, August 8 - Saturday, August 12, 2017
Cost: \$475**

Similar to our other camps, children will learn basic horsemanship skills and safety, such as tacking up a horse and controlling a horse at a walk and trot. The experience includes trail riding in the woods. Kids will try archery, kayaking, the climbing wall, and other adventurous activities. The session includes counselor-led Bible study discussions designed to help kids discover truth from the Word of God.

The cost of Insight Horse Camp is partially underwritten through the gifts of generous donors. Additional scholarships are available for those in need of financial assistance.

Insight Horse Camp is designed for children who are blind or visually impaired. Unfortunately, we are not able to accommodate children with multiple disabilities in this program.

Each camper who is blind or visually impaired will need a sighted buddy to accompany them throughout the week. Parents/Guardian are responsible for finding a buddy for their child. Buddies will not be registered without confirmation from the parents/guardian of the child with visual impairment.
