HIGHBROOK LODGE

Highbrook Lodge, a residential camp in Chardon, Ohio operated by CSC since 1928, offers separate programs for children, families, and adults who are living with blindness or low vision. Summer camping programs are available for all ages and additional recreational outings are scheduled throughout the year so that everyone can enjoy all that Highbrook Lodge has to offer.

TANDEM BIKE & HIKE

This group begins in April and concludes in September with monthly outings on the third Saturday of the month. Transportation to the Cuyahoga Valley National Park is provided by CSC. There is a minimal monthly fee for light refreshments, equipment rental, and transportation to and from home.

GOLF

Golf begins with the annual tee-off banquet in April. Tuesday evening outings at local driving ranges and golf courses are held weekly May through August. An awards ceremony/final golf day concludes the season in September. CSC will provide a sighted coach. Golfers will be responsible each week for any costs associated with greens fees, golf carts or pull carts, and a bucket of balls. In addition, special competitions and outings are scheduled throughout the season.

SAILING

CSC's sailing program begins in the spring with a program that includes seamanship basics, water safety, teambuilding, and hours of fun. Trained volunteers assist crew members in developing skills to sail on a weekly basis. Crews take to the waters of Lake Erie in the summer months with captains and mates.
