

Keeping you “In the Know...” 11/20/15

Happy Thanksgiving and Thank You!

- A very happy Thanksgiving and thank you to all CSC staff, Board of Trustees, clients, volunteers, and friends for your support during the 2015 year. Our agency would not be as unique, talented and strong without your continued passion and commitment to our mission to empower people with vision loss to realize their full potential and to shape the community’s vision of that potential.

CSC staff members hold letters spelling “THANK YOU!”

- The agency will be closed Thursday, November 26th and Friday, November 27th. The office will re-open Monday, November 30th.

CSC Receives Estate Gift:

- A generous gift from the estate of Beverly Stadler Harris was recently received. Mrs. Harris grew up in Cleveland and later moved to the Chicago area. Through her estate, she has made several major

philanthropic gifts to Cleveland area non-profits. She passed away in January 2015 in Wheaton, Illinois. Clearly a woman of compassion and care, Mrs. Harris has made a \$150,000 gift to Cleveland Sight Center. The details of her leadership philanthropy are still being worked out but her generous support is sincerely appreciated.

Giving Tuesday is December 1st!

- CSC will again reach out to donors, supporters and friends on Giving Tuesday, a worldwide day of philanthropy aimed to help nonprofits achieve their goals and collective missions, which follows the business of “Black Friday” and “Cyber Monday.” To check out more, visit CSC’s [Facebook page here](#) and spread the word about Giving Tuesday December 1st!
